

3 Year Old – Curriculum

Our 3 year old class will be introduced to and continue to learn about:

- Letters, numbers and counting, colors, and shape recognition
- Creative expression through art, music, singing, and new languages (including introduction to American Sign Language)
- Gross motor practice: building, outside play (running, sliding, and climbing), and bounce house play during rainy or snowy weather
- Fine motor practice: play dough, manipulatives, pipettes, water play, sand play, as well as an introduction to preschool scissors and pencils
- Home Play: pretend kitchens and dolls
- Physical Science and Chemistry: introduction through simple experiments
- Weather and how it affects us
- Social Studies touching on Thanksgiving and Presidents' Day
- Social Interactions: learning to feel secure with new adults (teachers and pastor), making friends, learning boundaries, sharing, and being kind
- Participating in circle time and story time
